

## **Envision expands Senior Executives role to include oversight of the PowerAgent and Clarity Compliance product lines**

### ***Tom Wiedecker, Chief Client Officer named Executive Vice President***

**Irvine, CA. March 30, 2011** — Envision Financial Systems, Inc., a leading provider of technology solutions to the mutual fund industry, today announced it's promotion of Tom Wiedecker to Executive Vice President, Product Management & Development and Chief Client Officer.

Previously Tom was the Chief Client Officer responsible for client support and relationship management. With the promotion, Tom's role will include providing overall leadership and direction for the PowerAgent and Clarity development and support teams. Tom will also provide leadership to the product management of Envision's core technology offerings.

In announcing the appointment, Satnam Gambhir, Chief Executive Officer of Envision said "Tom has significant industry experience and when you couple that with the unique and intimate knowledge he has of Envision's products and customers there is no more qualified person to lead the PowerAgent and Clarity product lines."

Envision is the leading provider of Power Agent, a real-time shareholder recordkeeping and servicing solutions. with integrated ancillary systems that has full IRS mandated cost basis reporting capabilities; and Clarity Compliance a trade monitoring application that works with any recordkeeping platform. Envision recently issued a report titled "Mutual Fund Cost Basis Reporting – Fast Track to Compliance." You may request a complimentary copy of the [report](#) at the Envision [website](#) or by calling [Envision](#) at 714.247.0030; option 1.
