

Envision Financial Systems Named One of Orange County's Fastest Growing Technology Companies in Deloitte's Technology Fast 50 Program

Award Marks Fifth Consecutive Year Placing within Fast 50

IRVINE, CA. October 24, 2008 – Envision Financial Systems was named to Deloitte's prestigious Technology Fast 50 Program for Orange County for the fifth consecutive year.

"We are honored to be recognized for the fifth consecutive year as one of the 50 fastest growing firms in Orange County" says Satnam Gambhir, Chief Executive Officer of Envision. "Receiving this award validates our vision of listening to the marketplace and delivering value added applications using open standard technologies. The marketplace is excited about our offerings and demanding more. We will meet this demand by continuing to provide unique solutions to the financial service industry."

"Sustaining high revenue growth over five years is an exceptional accomplishment. We commend Envision Financial Systems for making the commitment to technology and delivering on the promise of market longevity. We are proud to honor Envision to Deloitte's Technology Fast 50" says Rob Lucenti, Managing Partner, Orange County Practice, Deloitte & Touche LLP

To qualify for the Technology Fast 50, companies must have had operating revenues of at least \$50,000 in 2003 and \$5,000,000 in 2007, be headquartered in North America, and be a company that owns proprietary technology or proprietary intellectual property that contributes to a significant portion of the company's operating revenues; or devotes a significant proportion of revenues to the research and development of technology. Using other companies' technology or intellectual property in a unique way does not qualify.

Companies from the regional Technology Fast 50 programs in the United States and Canada are automatically entered in Deloitte's Technology Fast 500 program, which ranks North America's top 500 fastest growing technology, media, telecommunications and life sciences companies.
